The rejections are discussed below.

The Obviousness Rejections

Independent **claim 1** has been amended herein in accordance with the amendment discussed with the Examiner during the telephone interview of October 9, 2007. It is believed that this amendment places claim 1 (and **claims 2-7 and 9-23** which depend therefrom) in condition for allowance. As such, withdrawal of the rejections to and allowance of the subject claims is respectfully requested.

Claims 2-5, 10-14, and 20-22 have been amended as a consequence of the amendment to claim 1.

Newly added **claim 40**, which depends from claim 1, further emphasizes various aspects. No new subject matter has been added.

Conclusion

In view of the foregoing, it is submitted that the pending claims distinguish patentably and non-obviously over the prior art of record. An early indication of allowability is earnestly solicited.

Respectfully submitted,
